

DFSICON 2026

23rd ANNUAL CONFERENCE OF DIABETIC FOOT SOCIETY OF INDIA

Hyperbaric & Topical Oxygen Therapy

CLINICAL WORKSHOP

01st October '26
9:00 AM – 04:00 PM

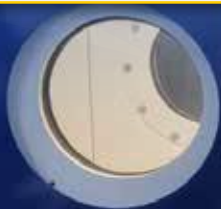

Karnataka Institute of
Endocrinology & Research (KIER),
Opposite SV Road Metro Station

WORKSHOP HIGHLIGHTS

- ✓ Understand where HBOT and topical oxygen therapy genuinely fit within modern diabetic wound care
- ✓ Cover patient selection, indications, contraindications, and treatment protocols
- ✓ Learn delivery techniques and monitoring for oxygen therapy
- ✓ Decide which patient may benefit, which modality to consider, and when oxygen therapy should form part of the treatment pathway

WHO CAN ATTEND

Physicians, vascular, plastic, orthopedic and general surgeons, diabetologists, wound-care specialists, nurses, respiratory therapists, and clinicians involved in chronic and ischemic ulcer management.
